Dear Mr. Nelson;

The United States Environmental Protection Agency (EPA) and the Colorado Department of Health (CDH) have reviewed your September 11, 1990 request for a 120 day extension to the Federal Facilities Compliance Agreement (FFCA). The agencies agree that a large amount of time will be required for review of the Waste Stream Characterization Report as well as other outstanding FFCA submittals. Therefore, the agencies grant the requested 120 day extension from September 19, 1990 until January 19, 1991. Negotiations toward an amended and updated FFCA are expected to commence within the timeframe of the extension.

If you have any questions concerning this or other FFCA issues, please contact George Dancik of EPA at 293-1506, or Fred Dowsett of CDH at 331-4850.

Sincerely,

A handwritten signature in dark ink, appearing to read "James J. Scherer".
